“Our rice cakes are one of our most loved products, and we think folks will be big fans of our latest and greatest,” said Grant Lundberg, CEO of Lundberg Family Farms. “The Thin Stackers and Sweet Dreams have excellent appeal for health-conscious families looking for new nutritious snack options, and the Sweet Dreams are a delicious dessert alternative – who wouldn't like anything coated in chocolate?”

Thin Stackers Rice Cakes: Fans of Lundberg rice cakes will love this tasty, thinner variety featuring whole grain goodness packed into a light and crisp snack. Packaged in a box with two stay-fresh sleeves, Thin Stackers are convenient and portable for a quick way to fuel up pre- or post-workout. They're also versatile – try them as a gluten-free cracker alternative by topping them with deli meat and veggies or nut butter and sliced fruit. Thin Stackers are organic and non-GMO verified, and available in four varieties: 5 Grain, Red Rice & Quinoa, Lightly Salted, and Salt-Free.

Sweet Dreams Rice Cakes: Crispy, thin rice cakes coated in just the right amount of organic fair-trade chocolate, Sweet Dreams are unlike anything on store shelves in the United States. At only 60 calories per cake, Sweet Dreams are a delicious go-to dessert that won't break the caloric bank. Sweet Dreams Rice Cakes are available in Milk Chocolate (38% cacao) and Dark Chocolate (66% cacao) varieties.
